## **WEEK'S SKIING IN FLAINE 2019!**

### ***British Schoolgirls' 60<sup>th</sup> Anniversary Celebrations***

Very few of our members will be aware that next year, 2019, the Club will be celebrating the 60th anniversary of the British Schoolgirls' Races. Your Committee felt it would not only be appropriate, but also fun, if we had a special week in Flaine at the same time. Several of us will be there for the whole time so there would be plenty of opportunities to ski together with a chance to watch the races at the beginning of the week.

The races were started all those years ago by Soss Roe and Liz Fulton and they have come a long way since then. They are an important date in the ski-racing calendar, are very professional - many of our national girl racers have gained valuable experience there – and it would be nice if as many members as possible could come and see what goes on!

The dates are from the 26<sup>th</sup> January to the 2<sup>nd</sup> February though you could come for only part of that time if it suited you better and provided you can find hotels or apartments that will agree to this. It will be up to members to make their own travel and accommodation arrangements. Flat rentals are from Saturday to Saturday, but many will become available halfway through the week, from Wednesday 30<sup>th</sup>, when the BSR racers return to school.

The races are on the 28<sup>th</sup> and 29<sup>th</sup> January and a celebratory dinner will be held on the 30<sup>th</sup> January at the Chalet Michet. Before that, you have an opportunity to meet up with other members on the Saturday night at Gill Head's apartment, 22c4 Capricorn in Flaine Foret at 6.30 p.m. so that you can organise your week. You are also invited to the welcome party for the racers on Sunday night and the prize-giving on Tuesday evening, both at Flaine Auditorium.

Flaine has only one hotel, Terminal de Neige, which can cater for short stays. There is a wide range of apartments available going from 4 or 5 star to more basic 3 star. Erna Low offer a range of accommodation, the contact is Richard Crowley who should be able to help you. (tel 0845-8630525) email [richard.crowley@ernalow.co.uk](mailto:richard.crowley@ernalow.co.uk).
